A message from the Chairman & President Union of Myanmar Travel Association (UMTA)

Dear Esteemed Members and Valued Tourism Stakeholders,

In these challenging times, the resilience and unity of our tourism community have never been more important. As we navigate the evolving landscape of global travel, I am deeply inspired by the dedication and adaptability demonstrated by each of you. Together, we have faced unprecedented obstacles, but we have also emerged stronger, more innovative, and more committed to showcasing the unparalleled beauty and warmth of Myanmar to the world. Myanmar remains a land of breathtaking landscapes, rich cultural heritage, and genuine hospitality. As we move forward, it is our collective responsibility to ensure that travelers from around the globe feel welcomed, safe, and inspired to explore all that our country has to offer. Safety remains our top priority, and we are working tirelessly to implement measures that protect both our visitors and our communities.

To further promote Myanmar's tourism potential, we are thrilled to announce the UMTA Travel Fair, set to take place in January 2026. This landmark event will serve as a platform to reignite interest in Myanmar as a premier travel destination, foster partnerships, and showcase the incredible diversity of our tourism offerings. I urge each of you to participate actively in this fair, as it represents a unique opportunity to connect with global stakeholders, share your stories, and contribute to the resurgence of our industry.

Additionally, we are excited to share that we will be organizing the Myanmar International Travel Expo (MITE) in late 2026. This international-scale event will bring together travel professionals, tourism boards, and industry leaders from around the world to highlight Myanmar's unique appeal and forge lasting collaborations. MITE will be a cornerstone in our efforts to position Myanmar as a must-visit destination on the global stage.

Let us continue to work together, hand in hand, to rebuild and reimagine Myanmar's tourism sector. Your passion and commitment are the driving forces behind our success, and I am confident that brighter days lie ahead.

With gratitude and optimism,

Kyaw Bohne Naing
Chairman & President
Union of Myanmar Travel Association (UMTA)
